We have audited the financial statements of M/s **Empyrean Skyview Projects Private Limited** ("the Company"), 31 C/C, Gandhi Nagar, Jammu - J&K, which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conduct our audit in accordance with the Standards on Auditing specified under Section 143(10) of Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019 and its Profit/loss and its Cash Flow for the year ended on that date.

Annexure "B" to the Independent Auditor's Report of even date on the Financial Statements of M/s Empyrean Skyview Projects Private Limited

Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Empyrean Skyview Projects Private Limited** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES

TO THE FINANCIAL STATEMENTS

1. GENERAL CORPORATE INFORMATION AND OVERVIEW

Empyrean Skyview Projects Private Limited (Incorporated on 22th October, 2014) is a Private limited company incorporated and domiciled in India and has its registered office in Jammu, Jammu & Kashmir. Empyrean Skyview Projects Private Limited is engaged in the business of developing, maintaining and operating of Ropeway, Adventure Activities and Restaurants.

The financial statements are approved for issue by the Company's Board of Directors as on 31.03.2019.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with the accounting standards, under the historical cost convention, on the accrual basis to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The statement of profit or loss for the year ended March 31, 2019 and statement of affairs of assets and liabilities as at March 31, 2019 were audited by the previous auditors- Manzoor and Co.

The figures for the previous year have been regrouped/rearranged/re-casted wherever necessary to confirm for comparison purpose.

B. Use of Estimates and judgements

The preparation of financial statements in conformity with Indian GAAP requires the Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the due date of financial statements and reported amounts of revenues and expenses during the period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results

and the estimates are recognised in the periods in which the results are known / materialise. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

C. Own Fixed Assets

Fixed Assets includes tangible assets (Property, Plant and Equipment), intangible assets and capital work in progress.

Fixed Assets are stated at cost net of recoverable taxes / capital subsidies (if any), less accumulated depreciation and impairment loss, if any.

The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs of the fixed assets are recognised in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognised in the Statement of Profit and Loss.

Advances paid towards the acquisition of property, plant and equipment and outstanding at each Balance Sheet date is classified as capital advances under the non-current assets and the cost of assets not ready to use before such date are disclosed under Capital work in progress.

Capital work in progress comprises of cost of fixed assets and expenses incurred for acquiring, erecting and commissioning of fixed assets and incidental expenditure including financing costs, incurred during the construction period that are not yet ready for their intended use at the reporting date.

D. Leased Assets

Leasehold land is stated at actual cost less amortisation. Annual lease rentals are expensed on annual basis.

E. Depreciation and Amortisation

- a) Depreciation on assets have been calculated in accordance to the schedule-III to the Companies Act, 2013 by adopting the indicative useful lives of various assets as per the Annexure to schedule-III to the companies Act, 2013.
- b) Depreciation on assets is provided for on straight line method at the indicative useful lives of various assets as per the Annexure to the schedule-III of the Companies Act, 2013.
- c) In case of additions to fixed assets depreciation is provided on pro-rata basis from the date the asset is put to use.
- d) In case fixed assets are sold, discarded or demolished during the year, depreciation is charged at their respective rates upto the date on which such assets are sold discarded or demolished.

F. Impairment of Assets

Fixed assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. If any indication of impairment exists, the recoverable amount of such assets is estimate and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use.

An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired.

When there is an indication, that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets, if any.

G. Foreign Currency Transactions

Functional Currency:

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupee.

Transaction and translations:

- a) Foreign Currency denominated monetary assets and liabilities are translated into the relevant functional currency at the exchange rates in effect at the Balance Sheet date.
- b) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction. Transaction gains and losses realised upon settlement of foreign currency transaction are included in determining the net profit for the period in which the transaction is settled.
- c) Any revenue or expenses on account of exchange difference between the date of transaction and on settlement or on translation is recognised in the Statement of Profit & Loss separately, except in cases where they relate to the acquisition of fixed assets in which case they are adjusted to the carrying cost of such asset as per the originally Accounting Standard No. 11 issued by the ICAI after that the company has followed revised Accounting Standard issued by ICAI.
- d) Non-monetary foreign currency items are carried at cost.

H. Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, process chemicals, stores and spares, packing materials, trading and other products includes basic cost including all direct expenses incurred in bringing them to their location and are determined on FIFO basis. By-products are valued at net realisable value.

I. Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

J. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the year before extraordinary items and tax is adjusted for the effects of

transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. The company considers all highly liquid investments that are readily convertible to known amount of cash to be cash equivalents.

K. Revenue Recognition

- a) Revenue is derived from the sales of goods manufactured as well as traded by the company and includes storage charges and operation of services contracts. Revenue is recognized only when it can be reliably measure and it is reasonable to expect ultimate collection.
- b) Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.
- c) Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.
- d) The Company uses significant judgements while determining the transaction price
- e) Sales/ Turnover for the year includes sale value of the goods, and packing charges etc. and are net of returns and rate discounts.
- f) Insurance claims, if any, are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.
- g) Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

L. Employee Benefits

- a) Short Term Benefits: The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:-

- i) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
 - ii) in case of non-accumulating compensated absences, when the absences occur
- b) These Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- c) Eligible employees receive benefits from PF and ESI, which are defined benefit plans. Both the employee and the company make monthly contribution to the Government PF and ESI Authorities equal to a certified percentage as specified in the respective Central Acts governing PF & ESI, of the covered employee's salary.
- d) For defined benefit plans in the form of gratuity benefits, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.
- e) Long Term Employee Benefits: Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date

M. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

N. Taxes on Income

Income Tax expenses comprises of current tax and deferred income tax. Income Tax expense is recognised in the net profit in the statement of profit and loss. Current income tax for the current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that has been enacted or substantively enacted by the balances sheet date.

Deferred income tax assets and liabilities are recognised for all temporary differences arising between the tax base of assets and liabilities and their carrying amount in the financial statements and are capable of reversal in one or more subsequent periods. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Deferred income tax assets and liabilities are measured using the tax rates and the tax laws enacted or substantially enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date.

Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised to the extent it is probable that there will be sufficient future taxable income available against which the deductible temporary differences and the tax losses can be utilised. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realizability.

O. Onerous contracts

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at lower of the expected cost of terminating the contract and the expected net cost of fulfilling the contract.

P. Government Grants / Subsidies

Government Grants are recognised by the Company on the reasonable assurance that the company will comply with the conditions attached to them and the grant will be received.

Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by creating a deferred income. The grant is recognised as income on a systematic basis over the life of a depreciable assets.

Government grants in the nature of promoters' contribution like investment subsidy, where no repayment is ordinarily expected in respect thereof, are treated as capital reserve. Government grants in the form of non-monetary assets, given at a concessional rate, are recorded on the basis of their acquisition cost. In case the non-monetary asset is given free of cost, the grant is recorded at a nominal value.

Other government grants and subsidies are recognised as income as and when received.

Q. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements. These are reviewed at each year end date and adjusted to reflect the best current estimate.

R. Earnings per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued up on conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

S. Investments

Trade investments are the investments made to enhance the Company's business interests. Investments are either classified as current or long-term based on Management's intention. Current investments are carried at the lower of cost and fair value of each investment individually. Cost for overseas investments comprises the Indian Rupee value of the consideration paid for the investment translated at the exchange rate prevalent at the date of investment. Long term investments are carried at cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment.

T. Segment Reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".
